

STOCKHOLM UNIVERSITY
Air Pollution Laboratory
Institute of Applied Environmental Research

Professor H-C Hansson

Stockholm, 29 July 2003

Dear participant of the **CAFE workshop on the Second Particulate Matter Position Paper**

Please register to email address, Ankia@itm.su.se, give name and affiliation, as you want it on your badge. Further we would like to have your address and email for the participation list.

There will be offered a dinner for free at the evening of the 20/10. Please indicate if you want to participate and if you have any special preferences concerning the food.

The place for the workshop is

Swedish Museum of Natural History

Visiting address: Frescativägen 40 **Telephone:** 08-519 540 00 **Telefax:** 08-519 540 85 **Home page:** <http://www.nrm.se>

It is neighbour of the Institute of Applied Environmental Research, Stockholm University, www.itm.su.se, which is hosting the workshop. Please use either homepage for travelling assistance.

For those arriving by air to Stockholm (Arlanda), there is an excellent train connection directly from the air port to down town Stockholm. At Stockholm Central Station you can easily find either taxi, use Taxi Stockholm or Taxikurir, or change to the subway (Tunnelbana). To the venue take red line to Mörby and step of at University. The walk from there is about 5 minutes. Direct taxi from Arlanda to the meeting cost about 400 SEK. Ask for fixed price and stick to Taxi Stockholm or Taxikurir.

For hotels, please look at www.destination-stockholm.se/hotels/ for information. For your convenience choose a hotel close to the subway (marked with a T in the maps). Hotel Arcadia is closest to the venue place, only one stop away with the subway, and is thus recommended.

I look forward to seeing you in Stockholm

Hans-Christen Hansson
