

**Air pollution and its relations to climate change and
sustainable development -
Linking immediate needs with long term challenges
"Saltsjöbaden 3"**

12-14 March 2007, Gothenburg, Sweden

Program

2007-03-07

Monday 12 March 13:00 - 18:30

10.30-13.00	Registration
13.00	Welcome <i>Peringe Grennfelt, The Swedish Environmental Research Institute</i>
13.10	Opening of the workshop. <i>Governor Göte Bernhardsson, County Administrative Board of Västra Götaland</i>
13.20	European perspectives on air pollution needs in relation to climate change. <i>Matti Vainio, European Commission</i>
13.40	California's Air Pollution and Climate Change Policies. <i>Bart Croes, Chief, Research Division, California Air Resources Board</i>
14.00	Multi-pollutant Power Plant Regulations in Massachusetts and the Impacts for Climate Change Policy. <i>Nancy Seidman, Massachusetts Department of Environmental Protection</i>
14.20	East Asian perspective on regional air pollution and its policies. <i>Surendra Shestra UNEP</i>
14.40	Coherent climate change and energy policies in northern hemisphere - we need to know the implications to air pollution. <i>Tomas van Ierland, European Commission</i>
15.00	<i>Coffee</i>
15.30	Linkages between air pollution and climate: an atmospheric sciences perspective. <i>Frank Raes, ACCENT, JRC, Ispra Italy</i>
15.50	Air pollution effects in a changing climate. <i>David Fowler, CEH, United Kingdom</i>
16.10	Expanding regional air pollution policies. <i>Martin Williams, DEFRA, United Kingdom</i>
16.30	Integrated Assessment modelling - future challenges. <i>Markus Amann, IIASA, Austria</i>
16.50	<i>Refreshment</i>
17.10	Nitrogen - Can an integrated approach be hosted under the CLRTAP? <i>Jan Willem Erisman, ECN, Netherlands</i>
17.30	Planning of working groups. <i>Peringe Grennfelt</i>
19.30	<i>Reception</i>

Tuesday 13 March 08:30 - 17:30

08.30-17.30	Working groups.
10.00-13.30	Coffee
13.00-14.00	Lunch
15.30-16.00	Coffee
19.300	Dinner

The workshops will include possibilities for short presentations within the themes

Wednesday 14 March 09:00 - 13:00

09.00	Presentations of the results of the working groups <i>Chair Rob Maas, MNP, The Netherlands</i>
10.45	Coffee
	Final conclusions
	Closing of the workshop <i>John Beale, Environment Protection Agency, US</i>
13.00	Lunch
